SO... UHM-

AIMING-TRIO

Dear Sir,

I am very sorry for disturbing you with this letter all of a sudden so please forgive me. I am someone who has had affection for you since quite a while ago. I would like to tell you how I am feeling in person and I will be waiting for you at the rooftop after school.

I can imagine how busy you are, but please give me some of your time. I look forward to hearing from you.

Respectfully yours,

AND
THERE'S A
THOUGHT

I am a girl who one-sidedly gains for you.
However, I don't have the courage to tell you
these feelings in person. This letter is the only
method I have to tell you how I feel. Even now,
as I write this letter while lying on my bed,
whenever I think of you, my chest tightens,
my body overflows and heats up.

My OOO will become XX as you please, and I will
do OX and OX. You will ΔX my OOA, and
